

SELECTION OF RESIDENCE OPTIONS

The condominium residences command gracious scale as “Palm Beach Homes” in the sky, and are designed to enhance contemporary lifestyles with high ceilings, oversized windows, and grand outdoor spaces.

Please browse the following work-in-progress floor plans showcasing a limited selection of Townhome and Residence offerings from every tier in the Park and Lake buildings.

THE TOWNHOMES

South Flagler House Townhomes are three story homes that range from 4 to 7 bedrooms.

Designed to combine the best qualities of single-family and condominium living, Townhomes will have a private 2 car garage within the parking podium and will be accessible from the garage level, the lobby level, and the Norton Gallery Park for the ultimate living experience. Townhome owners will be afforded the same luxury quality and best in class amenity package as all South Flagler House Residents.

All Townhomes come with their own private internal elevator.

All Townhomes have a private entry courtyard garden off of the park that is 12' deep and as wide as the Townhome.

Equal Housing Opportunity. There are various methods for calculating the square footage of a Unit and depending on the method of calculation, the quoted square footage of a Unit in advertising materials may vary from the square footage of a Unit as stated or described in the Prospectus and the Declaration. The dimensions in the Unit have been calculated from the exterior boundaries of the exterior walls to the centerline of interior demising walls, including common elements such as structural walls and other interior structural components of the building. As such, the area set forth on the previous page will be larger than the area calculated in the manner provided in the Declaration. All depictions of appliances, fixtures, furnishings, counters, soffits, and other matters of detail, including, without limitation, items of finish and decoration, are conceptual only and are not necessarily included in each Unit. All dimensions are approximate and may vary with actual construction. All floor plans are subject to change. Note that measurements of rooms set forth on this floor plan are generally taken at the greatest points of each given room (as if the room were a perfect rectangle), without regard for any cutouts. Accordingly, the area of the actual room will typically be smaller than the product obtained by multiplying the stated length times width. Consult the Developer's Prospectus for Information regarding what is offered with the Unit and for the calculation of the Unit square footage, dimensions, and floor area. This Condominium is being developed by Flagler Towers Project DEV LLC. ("Developer"). Tier 2 of South Flagler House is designed with only a North and South Residence on each floor. Residences span the entire length of the building from East to West.

The South Residences include secondary or “guest” bedrooms on the western facade that offer the unique flexibility of being an attached or detached “guest house” as their design includes a living room, kitchenette and private entry foyer from the elevator core.

Floors 10 & 11 are rare setback levels that provide extra large east facing loggias extending up to 23’ in depth. The 10th Floor loggia is fully covered and includes an uncovered corner loggia located off of the office. The 11th Floor loggia is partially covered to 12 feet and does not include a corner loggia off of the office.

All east loggias will be 31.5’ wide.

Consult the Developer's Prospectus for information regarding what is offered with the Unit and for the calculation of the Unit square footage, dimensions, and floor area. This Condominium is being developed by Flagler Towers Project DEV LLC. ("Developer"). Any and all statements, disclosures and/or representations shall be deemed made by Developer (and not to Hines, the Frisbie Group and/or any of its or their affiliates) with respect to any and all matters relating to the marketing and/or development of the Condominium and with respect to the sales of units in the Condominium. ORAL REPRESENTATIONS CANNOT BE RELIED UPON AS CORRECTLY STATING THE REPRESENTATIONS OF THE DEVELOPER. FOR CORRECT REPRESENTATIONS, MAKE REFERENCE TO THIS BROCHURE AND TO THE DOCUMENTS REQUIRED BY SECTION 718.503, FLORIDA STATUTES, TO BE FURNISHED BY A DEVELOPER TO A BUYER OR LESSEE.

Equal Housing Opportunity. There are various methods for calculating the square footage of a Unit and depending on the method of calculation, the quoted square footage of a Unit in advertising materials may vary from the square footage of a Unit as stated or described in the Prospectus and the Declaration. The dimensions in the Unit have been calculated from the exterior boundaries of the exterior walls to the centerline of interior demising walls, including common elements such as structural walls and other interior structural components of the building. As such, the area set forth on the previous page will be larger than the area calculated in the manner provided in the Declaration. All depictions of appliances, fixtures, furnishings, counters, soffits, and other matters of detail, including, without limitation, items of finish and decoration, are conceptual only and are not necessarily included in each Unit. All dimensions are approximate and may vary with actual construction. All floor plans are subject to change. Note that measurements of rooms set forth on this floor plan are generally taken at the greatest points of each given room (as if the room were a perfect rectangle), without regard for any cutouts.
